# **BEAR QUARTERLY NEWSLETTER**

#### **EXECUTIVE DIRECTOR'S MESSAGE**

Welcome to the first issue of **BEAR's Quarterly Newsletter**: **Providing Hope and Help**. Beyond sharing program updates and news, we hope this will be a place to build community. At BEAR, we strive to accomplish this every day, especially in recent times. I am not able to summarize the past few years but one thing is certain, when at-risk and CPS-involved children and their caretakers were in need "YOU" answered the call for resources. I cannot thank my team, my community, our funding partners and board of directors enough for the support you have shown us. I am so grateful.

Providing Hope and Help will be delivered digitally on a quarterly bases. The goal of this publication is to share all the exciting developments that take place at BEAR on a daily basis. We will share program updates, highlight supporters, and announce ways our community can get involved. You are receiving this newsletter because you previously supported one of BEAR's previous programs. While you are welcome to unsubscribe through the link at the bottom of this email, we hope you continue to subscribe to our quarterly newsletter.

Thank you for being part of this effort,

Tammy Hetmaniak Executive Director BEAR

### **HEART GALLERY SPOTLIGHT**

#### DAVID 10 YEARS OLD

"I'm a very friendly, playful, and outgoing boy. I enjoy playing sports and video games."

David is a very sweet, friendly, and outgoing child. He enjoys all kinds of sports, but soccer and baseball are among his favorites. David loves swimming and can spend all day at the pool if allowed. David enjoys going to school. He benefits from supportive services in school. He performs well academically for the most part when receiving one on one support. He has good behavior at home and school, and when he gets off task, re-direction works as a discipline method. David loves to eat, he is not a picky eater, but his favorite meals consist of Hamburgers, Pizza, Mac and Cheese, chicken, and French fries. David would make a great addition to a loving and nurturing forever family who will allow him to be himself.
